**CFTC Notices, Risk Disclaimer & Release:** This system is sold only under the terms on this page which the purchaser acknowledges. Past performance does not guarantee future results. This is not an offer to buy or sell futures, options or commodity interests. While we may state how the system performed previously, no one can guarantee what the markets and/or system may do in the future. Hypothetical or simulated performance results have certain inherent limitations. Unlike an actual performance record, simulated results do not represent actual trading. Also, since the trades may or may not have actually been executed, the results may have under or over compensated for the impact, if any of certain market factors such as lack of liquidity. Simulated trading programs in general are also subject to the fact that they are designed with the benefit of hindsight. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown. Nothing herein shall be construed to be specific trading advice and is provided "as is" for informational purposes only. Any trades made are at your own risk for your own account. TSCI and/or its developers cannot and shall not be held liable for any loss incurred including but not limited to trading losses, special or consequential damages that might result from the use of this product. Client agrees to not copy or distribute the materials provided by TSCI. Copyright, 1993-2006, Traders Software Co., Inc. ETS® is a Registered Trademark of Traders Software Co., Inc.
